OPEN ROADS SCHOOL COUNCIL

ALL STAKEHOLDERS CREATE A CULTURE OF LEARNING SO THAT STUDENTS COME FIRST

June 2016

END OF YEAR UPDATE!

It is hard to believe that another year has passed and school is almost over! It has been a wonderful year at Open Roads. We saw the introduction of monthly family nights, our new Facebook page, and additional books donated to our library. We continued to welcome special visitors to our school, students had opportunities to take part in a number of different workshops, and many of our students traveled near and far for a variety of exciting events!

Parents 4 Kids

Our small but mighty Parents 4 Kids Committee along with a number of volunteers arranged several activities for our kids this year. There were cupcake sales, a Halloween dance, as well as magazine, cookie dough, and honey fundraisers. Some of the money raised from these events

How Can You Get Involved?

If you are interested in School Council or Parents for Kids, you can reach out to the school office to let us know. You are also welcome to stop by one of our meetings. A list of the meeting dates will be posted on the website in September for next year.

We welcome fresh faces and new ideas!

We hope everyone has a fantastic summer!

allowed us to host a delicious and nutritious winter and spring feast for the entire school. Keep your eyes on the playgrounds next year as exciting changes hope to be made thanks to our great fund raising!

So What is School Council?

As part of your Open Roads School Council, we attend approximately 4 meetings each year. At every meeting a group of parents, your principal and some school staff members discuss current issues related to Open Roads. During meetings the principal gives a report on what has been taking place over the past few months. Other issues such as student achievement, school goals and priorities, special events and more may be discussed. It is a great opportunity to find out what is happening at Open Roads throughout the year! This is one of the best ways to stay connected with the school and to be engaged in your child's education.

THANK YOU!
